I give permission for my child to carry and self administer an epinephrine autoinjector, as prescribed, at the school and any activity, event or program sponsored by or in which the student's school is a participant. I understand that a school employee will immediately request assistance from an emergency medical service provider if this medication is administered. I further agree to the following:

1. **Provide a back up dose or second epinephrine autoinjector to the school principal or nurse as required by law.**
2. Submit to school personnel a revised statement, signed by the licensed prescriber of the above, when any change in the original statement occurs.
3. Submit to school personnel a written statement when medication has been discontinued.
4. Grant permission for the school nurse to confer with the above licensed prescriber regarding my child's health and treatment issues as they pertain to the above medication/diagnosis and his/her educational and behavioral management needs.
5. All medications must come to school in the original container from the pharmacist.

It is my opinion that my child understands the use of this medication, demonstrates proper administration and has shown responsible behavior when it comes to carrying this medication. _____ Yes _____ No _____ Initials
