

The Southwest Local Schools Final Blitz – June 4th, 2021

On August 23rd, 2019, we broke ground on the new Southwest Local Schools. Less than two years later, the teachers and faculty are now moving into the new buildings this week. This massive project was not only about building four new schools, but also building Harrison's future. While the journey certainly had its challenges, we always had the support of the district and the community to overcome any obstacle in our path. The Southwest Local School District truly embodies its core values: Trust, Respect, Ownership, and Leadership. We couldn't have done it without you, and we hope to see you at the ribbon cuttings on August 1st, 2021!
