

Student Wellness & Success Funding Plan

School District: Southwest Local School District **Fiscal Year:** 2024
District Contact: Thomas Lowe **Email:** thomas.lowe@southwestschools.org **Phone:** 513-367-4139
Community Partnership(s): Best Point & Butler County ESC

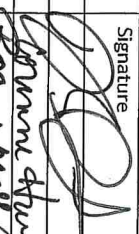

District Identified Critical Needs:

1. Southwest Local School District has identified student safety as a critical need. One of the goals of the district's plan is to utilize school based physical health services and student social emotional learning supports to create an improved climate of the school district while creating a safe learning environment for all students. This initiative will address the physical and mental well-being of students.

Relevant Data reviewed by (District) and (Community Partners) include the following:

- CCIP Discipline Data Mental Wellness Screenings
- Attendance (Student/Staff) School Climate Surveys Mental Health & Behavioral Health Referrals
- Other: Community Partners & Stakeholders
